

THE SELECTION

 **FICODIS**
YOUR INDUSTRIAL SUPPLY DISTRIBUTION COMPAGNY

TOOLS SPECIAL

MEMBER

Until May 27th, 2016

Despite the care that has been dedicated to the preparation of THE SELECTION, errors could have occurred. In case of disparity between the prices of the showcased items in the magazine and those displayed in store, the latest will prevail.

L'éditorial

Since our last promotional meeting with issue no. 5 of LA SELECTION, the FICODIS group has pursued its growth with the acquisition of two new companies:

ENTREPRISE DU GROUPE FICODIS

in Granby: an expert in power and pneumatic tools

ENTREPRISE DU GROUPE FICODIS

in Terrebonne: an expert in cutting and machining tools

This expansion rests on our constant concern to bring you new expertise on an extended line of products, as well as new services that make a difference.

With the acquisition of FIXACLOUS (see the presentation of the company on page 8), the FICODIS group can position itself as a key player in the power tools sector throughout the whole of the territory covered:

- confirmed and extended partnerships with DEWALT and MILWAUKEE
- inventory of 5,000 square feet dedicated to power tools
- community-based inventory in each outlet
- a DEWALT and recently MILWAUKEE certified repair shop

Another of our priorities is to offer you the best products on the market allowing you to enhance your performance and competitiveness.

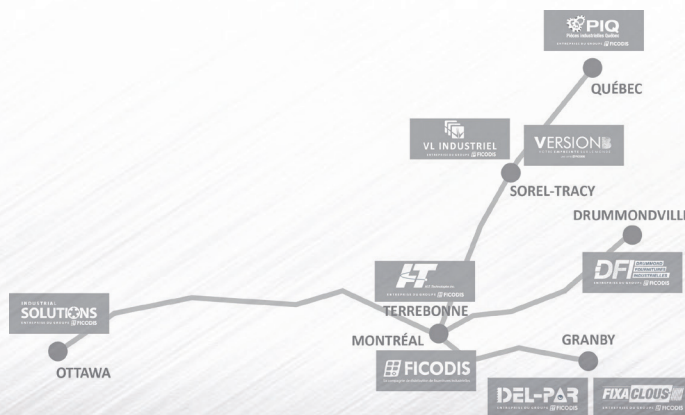

An example is the new **QUANTUM 3** generation of **NORTON**'s grinding wheels affording the cutting results, sustainability, and user-friendliness that make them a true quality product offering exceptional performance.

Over the days to come, our sales teams will present to you a preview of this **LITTLE BARK WITH A LOT OF BITE**

Until then, we wish you pleasant discoveries on the road to performance!

Sincerely,

Christophe Bévilard
Président

5"/6" High Performance Grinder With Trigger grip

149⁹⁰ \$

- Quick-Change™ Wheel Release allows tool free wheel removal
- Keyless adjustable guard provides tool-free guard adjustments, increasing productivity
- 13 amp/2.3HP, 9,000 rpm DEWALT® built G55 (AC/DC) motor designed for faster material removal and higher overload protection

DEWALT

D28065
FI-SO-001

20V MAX* XR Lithium Ion 4.0 Amp Brushless Premium Hammerdrill & Impact Driver Combo Kit

439⁹⁵ \$

- DEWALT-built brushless motor delivers up to 57% more run time over brushed
- XR Li-Ion batteries with fuel gauge provide 33% more capacity over standard packs
- Both tools feature LED lights with 20 second trigger release delay providing increased visibility in dark or confined spaces

DEWALT

DCK296M2
FI-SO-002

20V MAX* Premium 5-Tool Combo Kit

699⁹⁵ \$

- Includes 2 high-capacity batteries 3.0 Ah lithium ion 20V MAX*, fast charger, tool bag and auxiliary handle.

5A DCB205 free battery

DEWALT

DCK592L2

QUANTUM³™

**A LITTLE BARK
WITH A LOT OF
BITE**

Quantum3 is unique by its design and chemistry and is the leader on the market, performance, life and feel. This new ceramic based grinding wheel allow a fast cutting action in steel or stainless. Quatum3 offer a superior performance for applications where overall cost is critical

Figures 2 and 3 represent the performance of 7" and 9" Grinding Wheels for both Norton Quantum3 and 3M CUII. Wheels were ground to Stub using Carbon Steel as the material application measuring at 5 minute intervals.

THE LATEST FROM

FICODIS

The industrial supplies distribution company

Driven by a constant concern for performance and quality customer service, **Ficodis** is broadening its competencies in the Granby area with the acquisition of **FIXACLOUS**, a company specializing in the sale and repair of pneumatic staplers and nailers, as well as equipment and electric tools.

THE LARGEST INDUSTRIAL TOOL CENTRE FOR PROFESSIONALS AND CONSUMERS IN THE GRANBY AREA
