1/2in Hammer Drill

129\$

The most powerful single-speed hammer drill on the market, with up to 2X more durability. This practical 8-amp, 1/2in dual-mode Hammer Drill offers power and versatility for a variety of tough jobs, with an impressive 0-2,800 RPMs and 0-48,000 BPMs.

Superior engineering, an all-metal gear case and a heavy-duty metal chuck make this twice as durable as the leading competitor while maintaining outstanding performance. The compact 11.5in profile lets you work in tight spaces, and the two modes accommodate drilling in wood, steel and plastic or hammer drilling in concrete.

What's Included: (1) 1/2in Hammer Drill (5376-20), (1) Side Handle
